

NEWS LETTER OF KARUNAI ILLAM, JUNE, 2019

Dear friends,
Greetings to you in the name of our lord and Saviour Jesus Christ.
Hope you are all well.

Psalm 90:12 'So teach us to number our days that we may gain a heart of wisdom'

So many things have happened these three months. All the children have passed. Those who are in the higher classes are seeking admission in different colleges. We hope and pray that they will get into good colleges.

NEWS: In all the centers VBS took place. Inspire of the heat a lot of children attended and some of them heard the name of JESUS for the first time. We also had enough volunteers and parents to help Praise God. Even some young girls from Agarancheri another gypsy centre participated.

About 40 Auxilium college Hostel students as part of VIDES Voluntary International Dedicated for Education and Socially at risk accompanied by a sister and Rotary Club members visited us. They entertained our gypsies and our children also danced for them. They brought sarees for widows and everyone had puffs and biscuits.

5th May was a great day for our gypsies as we had GYPSY MELA in Sethuvalai. Gypsies from other places like Agarancheri, Malaikdi, Aaripudur and Pakkam were gathered. Sister Grace Manova and her husband Pastor Manova from Thambaram were arranged by Mr. Robert from Vanapadi, Ranipet. Sister Grace has a powerful testimony which she shared. She led in praise and worship and gave the message and everyone gathered were blessed. Many guests had also come. After the whole session we had fellowship lunch.

By the great grace of God, all the staff members with their families were able to attend the Geneserat Muham arranged by TWR in Paramankeni, Kalpakkam. from 21st to 23rd of May. The theme was >How to wrestle in prayer". The morning session was taken by Bro. George Philip, the CEO of TWR. The sessions in between were done by Luther and Reuban. In the evening everyone played in the beach for sometime. Sandhya was taken in the beach with some songs, testimonies from people who were touched by TWR programmes and the message by Pastor. Manivannan, Bangalore. Very good food was given and everything was arranged so well and we all came back refreshed..

29th to 31st of May 6 lady staff members, namely Reeta, Beulah, Kala, Mahima, Lakshmi and Peniel underwent a Training programme called Pavement Project by Life Words using PICTURE ME tool to do counseling for children, adolescents and young people who are depressed through various reasons. The three days were packed with a lot of activities and the final day 6 children with problems were brought so that they can practise what they learnt. Everything was done with much input from God's word and prayer. We bought 2 green bags and we hope and pray that they'll be used very effectively to help many children for the glory of God.
